

PVMS Families,

I hope you've had a great summer! I'm looking forward to seeing all of you soon. Our class supply list for the 2018 - 2019 school year will be as follows:

- 2 boxes of Kleenex
- 1 small bottle of hand sanitizer
- 4 large containers of anti-bacterial wipes
- Backpack
- Personal water bottle
- Inside shoes - These are comfortable, rubber soled shoes that will be left at school to be worn in the classroom. ***Please choose shoes that your child can easily put on and take off by themselves, but don't slip off during normal activity.*** Rubber soles are important because these shoes are occasionally worn outside during fire drills.

Please feel free to contact me if you have any questions about supplies.
